

BUSINESS TRAVEL MANAGERS, EMPLOYEES, CONSULTANTS, PROFESSIONALS: WORK HARD, STAY COMFORTABLE

BUSINESS TRIPS Do you know the "Business Travel Ready" implemented by **Airbnb**? here you read an [interesting article](#) titled "Understanding How Airbnb Empowers Hosts With New Business Travel Strategy".

I suggest the reading, if your company:

- supports the corporate travelers to plan their next business trip without sacrificing the comforts and amenities of home.
- prefers pick up those Business Travel Program providing better transparency and more accurate reporting

Airbnb would be a **winner solution. Petrapapae**, my **holiday home in Rome**, is **already compliance** with the amenities and policies requested by Airbnb *Business Travel Program*.

My listing is mentioned as "This listing has essential business travel amenities" and **ready to host trips**. You'll see a badge to help travelers find it, just look for the briefcase.

Here useful infos for Travel Managers, Hosts, Business Guests:
